

Sixth and Guadalupe

GENERAL CONTRACTOR

JE Dunn

ARCHITECT

Gensler

LOCATION

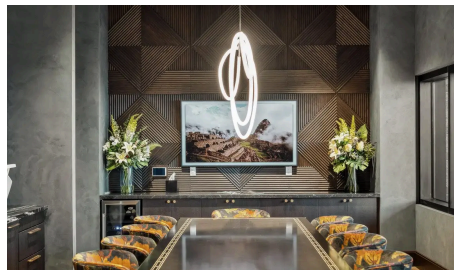

Austin, Texas

SECTOR

Tower Amenities

MATERIALS

Wood, Metal, Stone

**SUMMARY**

Dovetail fabricated the architectural millwork, metalwork and stone for Sixth and Guadalupe, a tower amenities project in Austin, Texas. JE Dunn was the general contractor and Gensler the architect. Most of the work shipped in 2023 and 2024.

SCOPE HIGHLIGHTS

- The work reaches from Level 1 up to Level 66
- On Level 1, the residential lobby has a leasing desk in wood, stone and metal, plus wall cabinets, wall panels, a mail room, a package center and a bike room, and the office lobby has a reception desk
- Level 14 has a mothers room, and Level 33 has a dog wash with stone
- Level 34 holds a club room with banquettes, an island and a fireplace, a boxing room and restrooms
